Report of Board of Education.

To the Inhabitants of the Town of New Castle:

The Board of Education respectfully submits the following report of work of the schools of this town for the year ending Feb. 15, 1905:

GRAMMAR SCHOOL.

The spring term of this school was under the charge of Miss Catherine Lennon, and her work was very satisfactory to the Board.

Since the beginning of the fall term, the school has been in charge of Miss Ida J. Hardy, a lady of estimable character and excellent qualification for the position she occupies. Her methods of teaching and discipline of the school are very satisfactory to the Board, and they recommend that she be retained in the school.

PRIMARY SCHOOL.

Miss Maude Trefethen has successfully continued her work in this school during the year. Her interest in the work and the results obtained can only be understood by a visit to the school. The Board heartily recommends that she be retained in the school.
